

VitalOxide

Carpet and Fabric Sanitizer

Vital Oxide is safe for stain protected carpet and fabric finishes, and can be used as a carpet pre-spray, or in tank with hot water vacuum -extraction units. Its non-ionic formula will not break down acid dye blockers in fiber which helps preserve the colors on your fabrics. Safe for carpet. It works by means of oxidation. Carpet mill tested and approved, leaving your carpet smelling fresh. Highly effective on urine-bacteria and smoke odor. Works as an allergen reducer, effective on mold, dustmites, cockroaches and pet dander.

BENEFITS:

- EPA Resgistered Carpet Sanitizer
- Carpet mill tested and approved
- Odor Eliminator
- Mold & Mildew Eliminator
- Safe for fabrics

SAFETY:
